Visa instructions for overseas students

The American University of Ras Al Khaimah will process your UAE entry visa once full tuition and visa fee payment has been received. Once the entry visa is issued, a scanned copy will be sent to you. You must print out this copy as you will need to present it upon departure from your home airport. Upon arrival at one of UAE's International airports, you will proceed to the Visa Collection Counter to collect your original entry visa. You then proceed to passport control/immigration. Please keep the original entry visa in a safe place as it is required to process your student visa.

Once you arrive on campus you must submit your entry visa and passport to the Administration Office. You will be required to take medical test (HIV, Hepatitis and TB). Failure to pass these medical tests will result in immediate deportation from the country. You will also be fingerprinted at the police department. A one-year student visa will be issued after completion of these procedures.
